RETURN AUTHORIZATION FORM

IMPORTANT: Please review the following return instructions to make sure you understand them before returning your product.

ADDRESS FOR RETURNS:

FJR Advisors, Inc.
ATTN: Returns Dept.
4610 Prime Parkway
McHenry, IL 60050

- **PLEASE** use tracking on your return shipment!!! We cannot stress this enough. Packages are lost more often than you might imagine, and if yours is lost and you can't provide a tracking number to show that you really did send it back, we can't process your return.
- **DO NOT** use an economy service like Media Mail or Parcel Post, because they can take up to two weeks or even longer and you may miss your 30-day trial deadline.
- All 30-Day Free Trial returns must be received by us no later than 30 days from your original purchase date. This policy exists because you get instant download access to the PDF version of the book when you order. If we receive it after 30 days, we'll still refund your charge, but a 15% processing & restocking fee will apply.
- All other returns (non-trial) must be received by us no later than 90 days from the original purchase date of the product. Also please note that a 15% restocking fee applies to all non-trial returns, and on all free trials received by us later than 30 days from your order date.
- We do not reimburse shipping on returned merchandise nor do we provide return shipping labels.
- All shipping charges are non-refundable.
- Refunds can only be issued to the credit card originally used to purchase. We do not issue refund checks - no exceptions! We cannot issue a refund if your credit card used to make the original purchase has been cancelled or has expired. This policy is in place to protect us from the increasingly common criminal act of receiving a refund check, then disputing the original charge in order to fraudulently obtain two refunds from us. Unfortunately, this is becoming a common crime committed against internet merchants; therefore we no longer issue checks.
